EDUCATION

Bachelor's in Civil Engineering

2018 – 2023

Tribhuvan University (Full Scholarship)

GPA: 76.67%, Class Rank: 2/96

Diploma in Civil Engineering

2014 – 2017

CTEVT (Partial Scholarship)

GPA: 74.96%, Class Rank: 1/48

TECHNICAL SKILLS

- **Engineering Software:** AutoCAD, Civil 3D, ArcGIS, SketchUp
- **Analysis Tools:** Abaqus (Basic Knowledge)
- **Programming:** Python (Basic), C++
- **Data Analysis:** MS Excel
- **Project Management:** Microsoft Project
- **Teaching & Collaboration Tools:** Google Classroom,

EXPERIENCE

Laboratory Instructor (Undergraduate Level)

Feb 2024 – Present

Kathford International College of Engineering and Management (KICEM)

- Conducted labs in Soil Mechanics, and Concrete Technology.
- Guided students in testing, data analysis, and report writing.

Teaching Assistant

May 2024 – Present

KICEM

- Assisted in Hydrology and Sanitary Engineering courses.
- Supported tutorials, assignments, and concept clarification.

Lecturer (Diploma Level)

Sep 2023 – present

Nara Bahadur Karmacharya Memorial Polytechnical Institute

- Taught Surveying (I, II, III) and Hill Road Engineering.
- Supervised Survey Camps and Final Year Projects.
- Trained students in AutoCAD and MS Office applications.

Visiting Lecturer (Undergraduate Level)

Mar 2025 – Sep 2025

Himalayan Institute of Science and Technology (HIST)

- Taught the complete course on Water Supply Engineering.

Tutor (Undergraduate Level)

Sep 2024 – Dec 2024

Soil Mechanics Full Course (YouTube link)

- Delivered online lectures and improved student academic performance.

Civil Engineer (Internship)

Jun 2023 – Aug 2023

Picasso Consultant Pvt. Ltd.

- Drafted detailed structural drawings and layouts.
- Performed cost estimation and quantity surveying for public park projects.
- Prepared technical reports and project documentation.

PUBLICATION

Thapa, A., Thapa, S., Thapa, K., and Gwachha, J. (2025). Numerical Modeling, Analysis and Structural Design of G+4 RC Building with Re-entrant Corners. *Asian Journal of Engineering and Technology*. DOI: 10.24203/wpvg1q26

AWARDS AND HONORS

- Full Merit-Based Scholarship, KICEM (2018–2023)
- Academic Excellence Award, KICEM (2018–2023)
- Second Runner-up, National Short Video Competition (2024)
- Runner-up, Paper Bridge Competition (2019)

LEADERSHIP AND SERVICE

- Volunteer, 3rd International Conference on Transportation (SOTEN 2025)
- Coordinator, Paper Bridge Competition (CESSKath 2023)
- Organizer, National Civil Engineering Exhibition (CESSKath 2022)
